

Message to Our Customers and Friends

Dear Customers and Friends

As we all try to get to grips with the ever-changing situation that the Covid 19 virus presents to us, we would like to assure you that we are keeping abreast of the situation and taking all possible precautions to ensure the safety of our customers and staff.

We are in uncharted waters and these are very uncertain and worrying times for everyone. Our thoughts are especially with our customers and friends in the hospitality industry at this challenging time. We are acutely aware of the difficulties that you are faced with and we hope that we will be able to support you to get back to business when the time comes.

We hope that everyone will enjoy continued good health and that it won't be long before we are all back up and running at full speed and thriving again.

We continue to remain open and, as we are part of the food supply chain, we are committed to keeping customers well stocked, be they retail outlets, hospitals, nursing homes, meals on wheels organisations or food service businesses offering take away meals.

Our fantastic staff have been working tirelessly to keep delivering goods throughout the region and we would like to thank them for their hard work and dedication to keeping the show on the road.

We wish to acknowledge the huge contribution of the front-line medical staff who are putting their own lives at risk to ensure the safety of others. To them we say a massive thank you.

Wishing you a safe and healthy passage through these difficult times.

“The greater the difficulty the more glory in surmounting it. Skillful pilots gain their reputation from storms and tempests.”

With best regards,

Martin Joyce
